Rock Artist

Think of all of the useful and interesting things you can create as a rock artist: paper weights, door jams, and presents! Do as a rock artist would!

Wednesday, August 10
1:30-3:00

Wii LOVE the Ocean

Play a game of Endless Ocean and explore exotic locations, interact with over 300 species of aquatic life, and sink for sunken treasure across the globe!!

Astronomy Talk & Observatory Visit

For the last several years we have been lucky enough to have Tony Horvatin of the Royal Astronomical Society of Canada come to the Library to give an excellent presentation on space.

The lecture is followed by a visit to the RASoC Observatory
Thursday, August 18 *Possible cloud date

8pm - Late

Free (Donations are welcome)

For Adults & Youth (with an adult)

*Meet at the Library for lecture.

Everyone responsible for their own transportation to the observatory

***Space is limited, please register by August 3**

Big Kid Entertainment Presents: Jack About the Bean Stalk!

Friday, July 22 at 2:00pm

For ages 2-12 ——— Cost of the performance is \$3

20 years have passed; Jack and Jill teach their daughter about truth telling and righting wrong. The Giant's golden hen has returned. A singing Bean Man and a very special beanstalk highlight a story of responsibility and character development.

End-of-Summer PARTY!!

(For participants of the summer reading program)

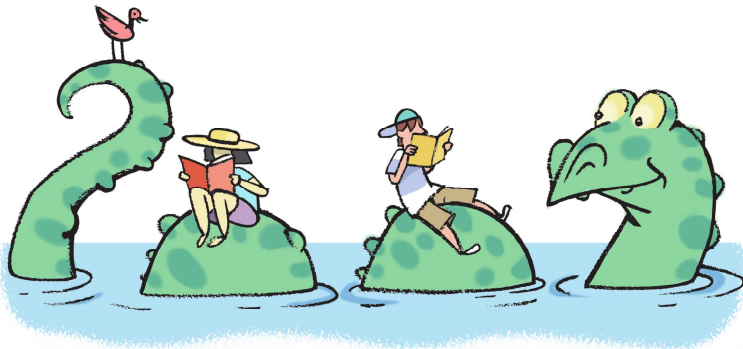

Wednesday, August 17
2:00-4:00pm

You worked hard reading all summer long, now it's time for your sweet reward.

Prizes!

Food!

Fun!
