**Description**  
"Set in 1960s California, this blockbuster debut is the hilarious, idiosyncratic and uplifting story of a female scientist whose career is constantly derailed by the idea that a woman's place is in the home, only to find herself starring as the host of America's most beloved TV cooking show. Elizabeth Zott is not your average woman. In fact Elizabeth Zott would be the first to point out that there... [ + More ]
