3. What style(s) is your work (i.e. abstract, impressionism)?

4. What genre(s) is your work (for example, if paintings: landscapes, portraits etc.)?

5. What is the size range of your work (in inches), from smallest to largest?

6. What is the average price of your work?

7. Approximately how many pieces will you show in an exhibition?

8. Describe how your work will be installed.

Given the shared and active nature of the Blue Mountains Public Library's Gallery space, artwork must be suitable for display in a high-traffic, multi-purpose environment and must not interfere with programming or public use. Additionally, all artwork intended for wall display must be hung by nails. Please provide details about how your work will be installed. For example: Can your work be mounted on wall nails? Do you require plinths? Does any of your work have unique set up requirements?

9. Do any of the pieces you intend to submit for exhibition involve the use of artificial intelligence (AI)? If so, please specify the AI tools or platforms used and briefly describe your creative process when working with them.

2. Will you have an exhibition at a gallery in Meaford and/or Collingwood in 2027? If so, where (please include locations and dates)?

Artists are encouraged to share if they have an individual exhibition in nearby galleries. This will not affect eligibility, but priority may be given to proposals that bring a fresh exhibition experience to the community.

Artists do not need to disclose if they maintain their own public studios or currently have ongoing representation with multiple works on display in other galleries.
